About the Al Marzooqi Family:

The **Al Marzooqi family** is one of the most respected and influential Emirati families, known for their strong heritage, business insight, and cultural contributions. Traditionally associated with the central and eastern regions of the UAE, particularly Abu Dhabi, Dubai and Sharjah, the family has a deep-rooted history in the nation's development. They have significantly shaped the UAE's economy, particularly in sectors such as construction, real estate, trade, and marine industries. Additionally, the family is known for its commitment to preserving Emirati culture through arts, music, and community activities.

Professional Journey

1993: His Excellency Mohamed Abdulla Mohamed Al Marzooqi began his career by joining the family business, **Abdulla Mohamed Ibrahim Trading (AMIT)**. His involvement marked the beginning of his professional journey in the business world.

1996: He quickly rose to the position of **Manager** at AMIT, where his leadership and vision began to steer the company toward greater achievements.

2000: Under his management, **AMIT** became one of the top leading companies in the UAE's **marine industry**, specializing in various marine products and services. His ability to innovate and manage operations effectively contributed to the company's success and expansion.

2001: Following in his father's footsteps, His Excellency ventured into **personal business** and founded **DI Marine**, a company dedicated to the marine sector. His entrepreneurial spirit and strategic vision quickly positioned DI Marine as a key player in the industry.

2007: **DI Marine** emerged as one of the **leading companies in marine safety and navigation systems**, providing advanced solutions and products to the marine industry.

2008: His Excellency expanded his business interests into the construction sector by establishing **Advanced Home Constructing Company**, marking the beginning of his diversification into new industries.

2013: Not content to rest on his laurels, he established **West Marine**, another marine-based company focusing on **sales, purchases, and vessel management**.

2015: Under his leadership, **West Marine** quickly became one of the UAE's top companies in its field, leading the way in vessel management and trade.

2017: To consolidate his various business ventures under one entity, His Excellency founded **Al Marzooqi Holding Fzc**. This holding company brought together a wide range of activities including:

- Investment of own resources
- Manufacturing of lubricants and lubricant-related products
- Import and export of base oils, lubricants, machinery, heavy equipment, spare parts, and building materials
- Steel structure fabrication, oil terminals, and steel storage tanks
- **2018:** His Excellency took on an honorary role as the **Private Consultant to the Private Office of His Highness Sheikh Ahamed bin Faisal Al Qassimi**, Member of the Royal family of Sharjah & Ras Al Khaimah from the United Arab Emirates, where he continues to provide strategic advice and support on various projects and initiatives.

2024: His Excellency expanded his business portfolio into the **education sector**, with primary efforts focused on the establishment of **schools in the UAE**. This move underscores his commitment to contributing to the nation's future by investing in quality education and shaping the next generation of leaders.

Philosophy and Vision

His Excellency is driven by a core belief that "**Behind every successful business, there is a dreamer who worked hard to reach his dream.**" This belief fuels his relentless pursuit of innovation and excellence in business.

His **vision** is to target **innovative and advanced paths in the business world**, and his **mission** revolves around the trust that "**we can**" achieve success through hard work, innovation, and a commitment to excellence.

Key Contributions and Leadership Style

His Excellency Mohamed Abdulla Mohamed Al Marzooqi is recognized for his **visionary leadership** and **entrepreneurial spirit**. Over the years, he has transformed his businesses into major players in the marine, construction, and industrial sectors. His strategic foresight, coupled with his ability to adapt to the ever-changing business landscape, has been instrumental in his success.

Beyond his business accomplishments, he is deeply involved in community initiatives and upholds the values of integrity, hard work, and innovation in all his effort's.

Conclusion

His Excellency Mohamed Abdulla Mohamed Al Marzooqi's career is a testament to the values of ambition, innovation, and leadership. From building successful marine businesses to expanding into construction and industrial sectors, he continues to drive growth and excellence in every venture. As the **Private Consultant to Sheikh Ahamed bin Faisal Al Qassimi**, he is poised to play an even greater role in the future development of the UAE, leveraging his expertise and strategic vision to contribute to the nation's continued prosperity.
